

## Muskegon Museum of Art Postcard Salon

**Exhibition: February 4 – 18, 2016**

**Reception: February 18, 2016**

Our popular *Postcard Salon* event returns for 2016, so join us by creating your own postcards for the show and attending the party on February 18. All postcards will be on sale for \$30 apiece, so show them, sell them, and buy them.

Artists of all ages and skill levels, working in a wide array of media, will have cards on display. If you're interested in participating, the event is free, but there are a **few rules**:

- Artists may enter up to five postcards, which must measure 4 x 6 inches exactly and be on a heavy stock paper, rigid backing, photo paper, or other similar material. Securely attach a hanging device and we can handle wood, glass, and ceramics too. Depth is variable - if we can hang it on a nail, you can send it.
- All media are welcome, including paint, marker, pencil, collage, ceramic, found objects, and textiles. Subject matter is up to the artists, but of course creativity and originality are appreciated by viewers and coveted by buyers.

All cards are for sale on February 18 for \$30, beginning at 7PM. The MMA splits the sale price 50/50. Join us for the party on Thursday, February 18, beginning at 5:30PM. Sale begins at 7PM with a five-minute head start for MMA members.
